Resolution Establishing the Bicentennial Commission

Charles, as I mentioned to you over the phone several weeks ago we need a resolution from Council officially establishing the Bicentennial Commission, And as you know, the Commission has been operating for some time, but from what I have been able to learn a resolution officially establishing it has never been passed by Council.

Please have a resolution prepared. I suggest that we include the following points in the resolution:

WHEREAS, the 200th anniversary of the founding of our nation is approaching; and

WHEREAS, the confluence of the St. Joseph, Maumee, and St. Marys Rivers, and the area around that confluence, in particular, Historic Fort Wayne, and later the City of Fort Wayne has played an important role in the development of our nation; and

WHEREAS; the people of the City of Fort Wayne desire to appropriately honor and recognize both the 200th anniversary of our nation and the unique role played by Fort Wayne in its growth and development.

NOW THEREFORE, BE IT RESOLVED BY THE COMMON COUNCIL OF THE CITY OF FORT WAYNE:

That the Fort Wayne Bicentennial Commission, which was established by the Mayor and has been operating on the planning level for over one year, be officially empowered to operate through July of 1977.

That the Commission be empowered to plan and administer Fort Wayne's Bicentennial Celebration, and that it be authorized to enter into agreements essential to that end.

That the Commission shall utilize community volunteers to the maximum extent possible, and

That it shall attempt to involve all segments of the community in planning and implementing the celebration, and that it shall attempt to cooperate with and involve all interested civic groups, businesses, and individuals.

Charles, if you require any additional information, or feel that any additional items should be included, please advise. Also, please advise me as to when the resolution will be introduced. I would like to have some people from the Bicentennial Commission present to explain what plans have been made.
